

23 May 1966

Mr. Warfield:

I have discussed this with in O/PPB who thinks this would be perfectly reasonable and he is reasonably confident that John Clarke will agree. However, he also feels John would like a note asking that it be done.

STAT

Mr. Bannerman mentioned at one time that he might discuss this with John but I don't believe he had the opportunity. You may want to give John a call before doing anything with this memo.
